

MATHIAS EDE C.
Frontend Developer

Lagos, Nigeria • xcoder2023@gmail.com • +234(901) 404-3981 • [portfolio](#)

I am a web developer passionate about building web applications that solve problems and increase organizational productivity. With three years of experience in managing and delivering client demands based on design and recommendations. I also build mobile responsive websites that meet high standards for web design, user experience, best practices, and speed optimization.

PROFESSIONAL EXPERIENCE

HNG TECH INTERNSHIP Lagos, Nigeria

Frontend developer July – August 2024 Actively contributed to building my team's product DELVE – an interactive language learning web app designed to make mastering new languages engaging and effective. With personalized lessons, real-time practice tools, and progress tracking. Contributed to developing the visually appealing user interfaces of the DELVE app in line with the designs. Developed an e-commerce website (timbu-shop) using Timbu API at the HNG11 internship. Participated and performed all the tasks in the HNG11 internship from stages 1 – 10. Wrote well-designed, testable code. Wrote reusable codes and components that enhanced development efficiency.

ERRANDPAY

Frontend developer

Nov. 2024 – Present

- Developed and maintained the company's back-office web application in collaboration with back-end engineers.
- Converted UI/UX wireframes into responsive, user-friendly interfaces using **Next.js** and **Tailwind CSS**.
- Integrated RESTful APIs to enable seamless communication between front-end and back-end systems.
-

PAIRLANCE. Nig

Frontend developer

Aug. 2024 – oct. 2024

- Collaborated with back-end developers, in developing the company's website.
- Translate UI/UX designs into a visually appealing interface using React.JS and Tailwind CSS.
- Implemented API integration with the backend team.

SLOBAJ CONSTRUCTION COMPANY, Lagos, Nigeria

- Designed and developed a fully functional and responsive website for a leading construction company, showcasing their portfolio, services, and project details.
- Implemented user-friendly navigation, optimized site performance, and ensured mobile compatibility.

- Integrated contact forms and location maps, improving client engagement and accessibility.
- Utilized HTML, CSS, JavaScript, and React for a modern, professional online presence that aligns with the company's brand identity.
